We want you and your
baby to love your mattress
for years to come.

So here's our expert advice to help you
get the most out of it.

We recommend turning the mattress over every three months, except for our dual-sided Twist mattress. The Twist mattress should be turned end to end and not turned over, to avoid dipping

Our mattresses are water resistant, not waterproof. So to prevent any damage to your mattress we advise that you must always use a Little Green Sheep mattress protector

Vacuuming once a month can also help reduce the risk of dust mites

Ventilate your mattress once a week, perhaps when the bedding is off for washing. Just remove the sheets and open the bedroom window to let any built up moisture evaporate

If your mattress needs cleaning, simply sponge the cover lightly with a mild detergent then air until it's completely dry to avoid any damage

Store your mattress in a cool, dry place with a consistent temperature (avoid lofts, cellars and sheds)

The Lullaby Trust work to promote safer sleep for all babies, read their expert safer sleep advice at www.lullabytrust.org.uk/safer-sleep

Due to all of our mattresses being made from natural materials and hand crafted, there can be a slight variance in the dimensions; for safety please ensure you refer to the mattress care label to check it fits your furniture.

Please keep these notes somewhere handy for future use

Mattress Protectors

For a dry and comfy night's sleep

An essential for all of The Little Green Sheep's mattresses, our super soft waterproof mattress protectors should always be used and will ensure your mattress remains clean and dry, creating a comfortable, dry and safe sleep environment for your little one.

Made from breathable and luxurious washable cotton with an Oeko-Tex Standard 100 Class I waterproof membrane sandwiched between. They are flat rather than fitted, allowing mattresses to breathe from the sides and underneath whilst creating a dust mite barrier.

Fitted Sheets

Perfect for baby's delicate skin

We have crafted these beautifully soft organic fitted sheets using the finest quality cotton for a perfectly natural night's sleep for your little one. Made without pesticides or herbicides and from GOTS certified material, each sheet is carefully crafted to create a lightweight and breathable layer, ideal for baby's delicate skin.

Blankets

Wrap your baby in comfort
with our luxury knitted
organic baby blankets

Our beautiful and luxurious knitted blanket is loved for its stunning quality, simple knit design and intricate finish. Made with certified organic cotton that moulds beautifully around your baby's body to create a secure, comfy and breathable environment.
